<b><u>Grading Scale:</u></b> A 90-100% B 80-89% C 70-79% D 60-69% F 59% or below	<b><u>Grading Breakdown:</u></b> Homework- 10% Final- 10% Quizzes/Tests- 80%
---	---

**Homework:**

Daily homework assignments will be completed by each student and will be checked at the beginning of class. Daily practice is crucial in the mathematics discipline. Homework will be worth 10% of your overall grade. Each assignment will be out of 5 points.

5- Assignment is completed and work is shown.

2- Assignment is halfway complete, but not finished or work not shown.

0- Missing or assignment is under halfway complete.

### **Quizzes, Tests, and Retakes:**

Test objectives will be worth 80% of your grade. The final will be worth the remaining 10%.

Grades are based on achievement of the objectives in each unit. Each student can prove this by aiming for a goal of 80% or better on each idea that is assessed. In order to reach that goal, tests can be retaken outside of class once extra practice and missing work is completed. The highest grade possible for a retake is 95%.

### **Cell Phones/Devices:**

Cell phones will NOT be allowed during notes/activities/etc. However, I will allow headphones ONLY during work time and quizzes/tests, provided your phone is face down on the desk and stays that way. You need to make sure ahead of time that you have a playlist you like and a volume that is respectful to your classmates. The expectation with this is that you use this privilege responsibly. I hope to let you listen to music, but if it gets out of hand I will not hesitate to change my policy. If there are any problems that occur regarding cell phones, I will take the phone and keep it for the rest of the class period. This applies to all electronic devices.

### **Makeup Work from Absences:**

You will have two days for every day that you miss to turn in your assignments from absences. If you know you will be gone, please talk to me in advance to get your work ahead of time. If you have any additional concerns/questions about what you have missed, please just talk to me and we will get things straightened out. Communication is key.

### **Extra Help:**

I will be available for extra help before school at 7:15 and after school until 3:30.
